

Magis Women, a ministry of the Magis Center of Reason and Faith.

Magis Women *Into His Marvelous Light* (1 Peter 2:9) study series are designed to guide you through the various subject areas experientially by practicing concrete ways of integrating new insights into your daily life. By engaging in the suggested journaling, prayer, and art invitations, you will be invited to experience the transformational love that Jesus offers, thus developing a deeper understanding of the topics and the ability to share that understanding with others. These courses are more than a bible study. They are a unique experiential journey that, if seriously undertaken, will change the trajectory of your life.

Satisfying Our Restless Hearts: A Course in Happiness

Based on the book *Finding True Happiness* by Fr. Robert Spitzer, S.J., Ph.D, and developed by Magis Women as an antidote to modern myths in our culture, *Satisfying Our Restless Hearts: A Course in Happiness*, brings a fresh approach to an important subject. Using scripture, practical application, and a generous dose of humor, the student will be invited to discover deep truths in new and different ways.

Far more than a bible study, this unique experiential journey has the potential to change the direction of the student's life.
